CHAPTER 02
ARIENAI

Beautiful Soup
scanslation group

I am sad to say that Possible-Soup is now coming to its close. Possible-Soup has been my baby for over four years - starting out with shoujo projects then working on yaoi and ending with some delightful doujinshi.

Through Possible-Soup I have been able to meet a lot of wonderful people and learn so much. However, due to lack of time and interest, I will am leaving soonish.

The current Possible-Soup staff will be branching out and picking up projects in the future. Hopefully all the series that I have been working so hard on will finally come to a finish.

From what I've been told Beautiful Soup will continue on as Beautiful Soup and they should be picking up most of Soup's projects.
Impossibility will come to a close for good. Instead a group named Completely Oblivious will open up and continue the projects.
Mostly Neautral will close down. Soup has said that they would like to also do a few doujinshi as well so do look forward to that.

Thank you so much for all your years of support!
Anna
